The Honorable Rosa DeLauro,
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Half Moon Bay Farmworker Resource Center in fiscal year 2024. The entity to receive funding for this project is Ayudando Latinos a Soñar, located at 636 Purissima Street, Half Moon Bay, California 94019. The funding would be used for construction of a farmworker resource center to provide social services, education, networking and a gathering location for the Latino farmworker community in Half Moon Bay. The project is an appropriate use of taxpayer funds because it will enhance the ability of ALAS to provide social services to an underserved community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Anna G. Eshoo
Member of Congress
